IUCN Cameroon Program,
P.O. Box : 5506, Yaounde;

Dear Sir,

Subject: Support to the project “Community-Based Conservation and Restoration of Central African Coastal Wetlands”

As Executive Secretary of the African Mangrove Network (AMN), I would like to confirm in the present letter that AMN which is a regional organization that I represent will fully support the project entitled “**Community-Based Conservation and Restoration of Central African Coastal Wetlands**” being submitted to Green Development Initiative (GDI) for joint implementation with member organizations of the African Mangrove Network especially Cameroon Mangrove Network in Central Africa. The Project is fully in line with the AMN Action Plan 2009 -2014.

Yours sincerely,
